

# Mississippi Contractor's Application for Material Purchase Certificate and/or Contract Qualification

This form must be typed or printed. Copies or reproductions of the official form are not acceptable. Incomplete forms will be returned without processing. Round to the nearest whole dollar (no pennies). This application must be completed by Prime Contractor for each commercial construction contract over \$10,000. Tax must be covered by a job or blanket bond if not pre-paid. If the contract is \$75,000 or less, and performed by a contractor with a business location inside the State of Mississippi, the tax may be paid on a monthly basis in the same nature as a contract covered by a bond.
